### History:

Trade Councilman Djeahl has been a senior member of the council aboard the Union space station since its inception.

He controls a large fleet of trading vessels and a large military fleet loyal only to him. He has several agents through the galaxy that help procure information and “deal” with problems.

His bodyguard, Stez Brolt, is also his primary assassin and problem solver. Though kept on the Union, Stez is occasionally let off the leash for special assignments.

Djeahl will stop at nothing to achieve his goal.

### SIDES:

**Djeahl**

This is taking too long, Stez. Hendrix should have been dead days ago.

**Stez**

He’s not as easy to kill as you might think.

**Djeah**

Oh really? I wonder whatever could have convinced me to the contrary. You’re supposed to be the best, so do something about it or I’ll have to replace you.

**Stez**

If you think you can.

**Djeahl**

What was that? Do you think I won't do it? I've had better men than you killed.

Djeahl reaches for his blaster. Stez is faster to the draw.

**Stez**

Yes, you've had better men than me killed. I know, because I did it for you.

**Djeahl**

I want Hendrix dead. He's getting close to things he shouldn't and that would be bad for all of us.

**Stez**

I know that as well as you do and I'm working to resolve the problem.

**Djeahl**

Fine. Take care of it, Stez. And quickly.

Stez bows his head and turns to leave.

**Djeahl**

Oh, and Stez?

Stez turns back to see a small blaster in Djeahl's opposite hand.

**Djeahl**

Never draw a weapon on me again.
