

## Character Description

Name: Sherice Williams

Age: 19-30

Build: Light to average

Height: Short to average

Main Character

## Description:

Sherice is the girl that everyone loves to hang out with. She knows everything about fishing, hunting, trucks, guns, and country music. Guys don't know whether to try and date her or have her teach them how to oil their shotguns. She is the bait shop's second in command and takes no guff. She treats Bubba as an older brother and is one of only a few people that can rip on him and get away with it.

## Sides:

INT. BAITSHOP - DAY

Bubba is finishing up with a customer. As the customer walks away, Sherice moves in beside Bubba.

SHERICE

(Whispering)

We have a little problem. You know when you told TJ to put the new crawdads somewhere that was colder than the old ones he put next to the heater vent.

BUBBA

Yeah, there's a smell I won't soon forget.

(Pause, then rolls eyes)

Where'd he put 'em?

SHERICE

Up against the draw fan in the walk-in.

BUBBA

Don't tell me...

SHERICE

I shut it off. It was smoking.

BUBBA

Call Bill and see if he can QUIETLY come out and fix this.

Sherice looks slightly embarrassed.

BUBBA (CONT'D)

That's not all is it.

SHERICE

Well, when I reach up to shut off the fans, I knocked over the box of crawdads. When it hit the floor, they flew all over the walk-in.

BUBBA

You're telling me I have bait crawling all over the walk-in?

SHERICE

Just mostly in the beer section.

CUT TO:

INT. WALK-IN REFRIDGERATOR - DAY

Several Crawdads are on top of beer cans.

CUT TO:

INT. BAITSHOP - DAY

Bubba looks exasperatedly at Sherice.

BUBBA

You could've picked them up.

SHERICE

I love working at the baitshop and I may be a country girl, but I draw the line at mud bugs. I'll get minnows and worms. I'll even get grasshoppers. But waterdogs and mud bugs are in my land of not in this life time.

BUBBA

Get TJ to clean it up.  
(Pause and then a look of fear)  
Where are the worm containers?

SHERICE

Don't worry, they're fine. Though they might start to get a little warm soon.  
(look of disgust then normal)  
Anyway, I already called Bill. His wife said he went to Greenville. Won't be back until tomorrow.

BUBBA

What about...

SHERICE

John? Guess who went to Greenville with Bill?

BUBBA

Call the ice house and order a pallet of ice bags.

SHERICE

That I can do.

BUBBA

Where's TJ?

SHERICE

He was helping old-man Thompkins lay the cinder blocks for that new storage room. I don't think he's going to be here any time soon.

BUBBA

Why not?

SHERICE

I talked to Thompkins and it seems TJ was laying cinder blocks from the inside of the room.

BUBBA

(Sherice simultaneously)  
He walled himself in.
